

ISA and ISPID Joint Conference

SYDNEY AUSTRALIA • 8 – 10 October 2010

*Precious lives: global collaboration
in stillbirth and infant death*

Registration Brochure

Host Organisations

On behalf of the Conference Organising Committee we take great pleasure in inviting you to Sydney, Australia to participate in the joint conference of the International Stillbirth Alliance ISA and the International Society for the Study and Prevention of Perinatal and Infant Death ISPID on 8 to 10 October 2010.

The Conference, "Precious lives: global collaboration in stillbirth and infant death" aims to enhance international collaboration in addressing the global loss of lives through stillbirth and infant death.

We value your participation in this Conference; it is with our collective efforts that the loss of these precious lives will be reduced and the support and care of families suffering this loss will be improved.

October is Pregnancy and Infant loss Awareness Month all around the world and this Conference will provide an opportunity for bereaved parents to honour and remember their precious babies.

The potential for this Conference to make a real difference globally will be greatly enhanced by the planned launch of The Lancet series on stillbirth prevention. This series places stillbirth within the context of maternal and infant death thereby increasing the potential to save lives on a large scale.

SIDS and Kids Australia, representing ISPID, and the Australian and New Zealand Stillbirth Alliance ANZSA, ISA's regional office representing ISA are both honoured to be co-hosting this exciting event being held at the Masonic Centre in vibrant Sydney.

Spring is one of the best times to visit Sydney! During your stay there will be plenty of opportunities to visit some of Sydney's iconic sights, including the beautiful Sydney Harbour, Opera House and Sydney's world famous beaches.

We hope you will be able to join us down under at this Conference which will bring together world class researchers, health professionals and families from across the globe to share new knowledge and initiatives and to build collaborations towards our common goals. Family, friends and colleagues are all welcome to come and share in the exciting social program supporting the Conference which will include opportunities to see the highlights of Sydney, experience the culture of this unique country and make new friends.

We look forward to welcoming you to Sydney in 2010.

Kind regards

Workshops and Breakfast Sessions

Many interesting pre and post Conference Workshops and Breakfast Sessions will be offered to Conference delegates. Please visit the website for further details and to express your interest in attending these workshops and sessions.

Memorial Ceremony

A Memorial Ceremony will provide an opportunity for families, friends and supporters can honour babies who have died in pregnancy, birth and infancy in a safe, supportive and non-religious environment. The Ceremony will draw themes from International Pregnancy and Infant Loss month and bring together bereaved parents and families from across the globe to remember and to express their hopes, dreams and enduring love.

The Memorial Candle will be lit and families and friends will be invited to write messages of memory on a card. Cards will be placed on the Memorial Tree displayed during the Conference.

Conference Venue

Sydney Masonic Centre, 66 Goulburn Street, Sydney

The Sydney Masonic Centre building is regarded as one of Sydney's most architecturally significant buildings being a prime example of the 'Brutalistic' style designed by Joseland Gilling.

The Centre is a short stroll from both Museum and Central train stations. Parking is available diagonally opposite the venue.

The committee invites you to submit abstracts for consideration for inclusion in the Conference program. All abstracts will be subject to review. **The deadline for abstract submission is 16 April 2010.** The committee welcomes abstracts on the following topics:

Themes	Sub-Themes
<ul style="list-style-type: none">• Stillbirth• Neonatal/ Infant Death• SIDS	<ul style="list-style-type: none">• Pathology• Physiology• Epidemiology• Gene Environment• Health promotion• Bereavement• Clinical practice• Closing the gaps – Indigenous & Developing countries

Instructions

Instructions and submission information is available on the Conference website www.isaispid2010.com.

Authors will be notified about the outcome of the review process from May 2010. All presenters of accepted abstracts are expected to attend the Conference and pay the registration fee by 15 August 2010.

All abstracts must be submitted online via the Abstract Submission Form. Should you have any difficulties with this form please contact the Conference Secretariat on isaispid2010@conexion.com.au.
